GLOBAL CONVENING

EXPLORING THE POWER OF PLACE,
COLLABORATION, AND YOUTH-LED CHANGE

The Global Opportunity Youth Network (GOYN) is excited to have you join our Global and Community Partners, and Opportunity Youth Leaders from across the globe in Bogotá, Colombia as we convene to connect and build community in real-time, share the impact of successful practices, and plan for our vision ahead in 2023 and beyond.

During this hybrid (virtual and in-person) event where partners, opportunity youth leaders, and global allies will gather to facilitate conversations on the power of place-based collaboration to accelerate opportunities for Opportunity Youth.

Convening sessions topics will include:

- Developing a Global OY Leadership Skillset to advance equity and structural justice
- Designing a Global Narrative Change Campaign about OY
- Strategies to mobilize around an emerging GOYN Global Equity Agenda 2023 and beyond

Please review this agenda and come ready to share, listen, and learn from each other!
